

Expression of Interest for Assistance

Assistance is available from the Brisbane Ranges Landcare Group and other sources, to encourage landowners to improve the environmental aspects of their properties in particular to protect remnant indigenous vegetation, improve biodiversity corridors and revegetate riparian zones (waterways). If you are interested in finding out more and/or gaining assistance please complete this initial Expression of Interest form. The enquiry will be confidential and there is no obligation to proceed with the project.

Please tick the types of assistance you are interested in –

<input type="checkbox"/> Protect remnant vegetation	<input type="checkbox"/> Revegetation
<input type="checkbox"/> Fencing	<input type="checkbox"/> Property management advice
<input type="checkbox"/> Off-stream stock watering	<input type="checkbox"/> Weed control
<input type="checkbox"/> Channel stabilisation	<input type="checkbox"/> Vermin control
<input type="checkbox"/> Exotic tree/willow control	<input type="checkbox"/> Loan of weed sprayer
<input type="checkbox"/> Tree guards and stakes	<input type="checkbox"/> Other – please explain -
